Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Monday 17 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunshine and showers for many again on Tuesday; fairly cool.

This Evening and Tonight:
Heavy showers and thunderstorms in central, southern and eastern areas should ease through the evening. Many places becoming dry with clear spells and turning rather chilly with possible odd mist patches. Further showery outbreaks into the far southwest by daybreak.

Tuesday:
Showers developing quite widely, some heavy and thundery, particularly across England. Some sunshine between, more widely in the west later. Mostly rather cool, but probably feeling pleasant in sunny spells.

Outlook for Wednesday to Friday:
Unsettled with rain or showers, although western areas perhaps dry and bright for a time on Wednesday. Increasingly windy with gales probably developing in parts of the south and west.
